MEMORANDUM FOR THE RECORD

22 March 1957

SUBJECT: Records Management Regulations Handbook

STAT

R- establishes the Record Management Program consisting of the following elements:

1. Reports Management
2. Correspondence Management
3. Forms Management
4. Records Maintenance
5. Records Disposition
6. Vital Materials

Under each program element there have been or will be issued one or more handbooks. Listed below are the Handbooks previously issued and those that we presently propose to issue. It is very likely that others will be added to the proposed list as the need develops. Please advise us on the numbering plan you prefer for the proposed issuances.
